Your Support Matters

We need your support. The JCC is a 501(c)(3) non-profit organization and our camp and family life programs are not fully funded by our program fees. We rely on donations to help keep camp affordable and deliver vital programming for our community all year round.

Your support matters. Every donation funds innovative programming for more than 2,000 families, seniors, teens and young adults. It allows children of all needs to have a place to play in the summertime. It provides warm meals and stimulation for our seniors who need it most. It helps families with economic constraints feel connected to the community and live their best life.

We are so grateful to our friends, family and corporate partners who keep our JCC strong and vibrant. Building a strong JCC requires investment today for a stronger community for tomorrow.
